die wahl zum europäischen parlament 2024 war geprägt von internationalen krisen wie dem angriffskrieg russlands gegen die ukraine oder dem krieg in gaza sowie von zahlreichen politischen herausforderungen innerhalb der eu etwa der covid 19 pandemie der jahre 2020 23 der energiekrisis und dem anstieg der lebenshaltungskosten dieses buch versammelt beiträge die die wahl aus verschiedenen blickwinkeln und mit einem vielfältigen themenspektrum analysieren schwerpunkte liegen unter anderem auf parteien und wahlssystemen wahlkampagnen und wahlkampfthemen der rolle der öffentlichkeit den determinanten des wahlverhaltens und dem spitzenkandidatenverfahren neben analysen aus der europawissenschaft versammelt der band auch perspektiven aus anderen teil disziplinen wie der wahl parteien kommunikations und governance forschung gemeinsam ist allen beiträgen ein länderübergreifender ansatz der entweder die eu als ganzes oder mehrere mitgliedstaaten im vergleich betrachtet zusammengefasst bieten sie den leser innen ein umfassendes verständnis der themen parteien und mechanismen die die europawahl 2024 prägten und einen ausblick darauf wie das wahlergebnis die europäische politik der nächsten jahre beeinflussen wird

this book offers a comprehensive and timely analysis of the parliamentary dimension of the conference on the future of europe of an unprecedented experiment in which parliamentary representation met

transnational citizen participation in the european union eu across twelve chapters the book investigates the cofoe as an opportunity structure for both the european parliament ep as the host of the process and national as well as regional parliaments as the guests in this process to fulfil and revitalise their key functions in eu multi level democracy the book also provides a valuable source of insights for representatives in national parliaments and the newly elected european parliament 2024 2029 to hopefully prompt them to rethink their relationship with citizens in the ever evolving transnational democratic space of the eu bringing together both academics and practitioners this book will be of key interest to anyone interested in parliamentary representation citizen participation and democratic legitimacy in the eu and beyond the open access version of this book available at taylorfrancis com has been made available under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license

the first english language political history of kuwaiti parliament this book provides an unprecedented holistic treatment of grassroots contemporary kuwaiti politics in english in over two decades incorporating the country s political dynamics into broader debates about the limits of authoritarianism and the practice of democracy in the arab world particularly in oil wealthy states author courtney freer uses the lens of parliamentary elections as a means of understanding the political ideologies that have dominated in kuwait since independence as such it situates the dynamics of kuwaiti politics within broader political science debates about whether democratic institutions in hybrid regimes are meaningful arenas for popular contestation or only serve to enhance autocratic rule given the varying portrayals of kuwait as robust authoritarianism upgraded authoritarianism or a noteworthy site of democratic participation the resilience of parliamentary politics in kuwait parliament rentierism and society focuses on the ideologies that have mobilized political blocs rather than solely focusing on the institutions of political power themselves freer includes extensive fieldwork and the use of arabic and english primary sources to assess and examine the

institutional setting that kuwait presents and traces the dominant ideological strands in the country considering the comparative mobilizational potential of ascriptive identities like tribe and sect

released shortly after the 2024 european parliament elections this book gathers contributions that analyze the elections from various perspectives the main objective is to offer a timely assessment of different facets such as electoral systems electoral campaigns the public perception of the elections the role of european parties determinants of voting behavior and the consequences of the electoral results for european governance in addition to analyses from european studies perspectives from other sub disciplines and research areas such as election party communication and governance research are featured in the volume the authors which consist of accomplished academics and civil society actors present a highly diverse range of analyses individually very rich and based on solid original research taken together their contributions offer the reader a comprehensive understanding of the issues parties and mechanisms behind the european elections of 2024

portuguese democracy is now celebrating its 50th anniversary portugal joined the european union eu in 1986 but the enduring legacies of the country s transition process from authoritarianism to democracy became apparent during the european sovereign debt crisis when portugal experienced its third bailout since the institutionalization of democratic government although the first decade after eu accession was one of slight growth and investment portugal s economy has in effect been performing poorly since the beginning of the 21st century among the major changes in portuga as in much of southern europe as a result of the great recession was the emergence of important new actors including populist parties new social movements and the polarization of attitudes toward the eu in some of these areas the phrase with the exception of portugal was always present this book explores the factors that might explain why this is no longer the case presenting a global overview with an interdisciplinary focus of the processes of

economic social and political changes in portuguese democracy since the 2008 economic crisis the volume is accessible to a broad academic audience with chapters examining economic political social and foreign policy issues for scholars interested in an analysis of portugal s emergence from the economic crisis

this book provides a comparative theoretical and empirical understanding of the possible role of elections to minority councils and self governments local variants of national cultural autonomy bodies in five east central european countries the functions and effects of elections serve as analytical tools that enable the book to provide a realistic overview of minority political participation in this particular institutional channel and empirical evidence on the extent to which existing normative expectations towards national cultural autonomy are met within these arrangements using the elections of cultural autonomous bodies in croatia estonia hungary serbia and slovenia as examples the book examines how these rather understudied institutions specific to minority councils and self governments affect the lives of national and ethnic minorities how they approach them and how they are established in each country in the post communist environment that fundamentally rejects autonomy these organisations are still officially referred to as autonomies whereas they often function more like consultative advisory bodies the book traces this process from the adoption of autonomy through the polling booth to the operational level without avoiding sensitive issues raised by these autonomies such as what is commonly known as ethnobusiness focusing on topical issues such as minority representation and participation the book will be of interest to a broad group of international academics researchers and policy makers working in the areas of minority studies legal studies political science and anthropology

this book addresses one of the most serious societal questions of our time how to create new spaces and frameworks for minority recognition given the state centric sovereignty discourse and the persisting equality jargon that dominate today s world by so doing it approaches minority rights by means of a

critical engagement with its underlying premises notably it makes attempts to both construct and reconfigure neglected legal categories in particular collective rights and to deconstruct domestic constitutional orders more precisely it does so through diametrically opposed levels of analysis that is top down and bottom up logics by exploring sociolegal strategies forms and formats of governance on the one hand and grassroots demands on the other drawing on empirical findings in europe and latin america the book gives us a sense of how recognition needs to be contextualised against the background of right wing trends in europe and the re building of the state in the andes this is a fascinating study of one of the key questions engaging human rights minority studies and discrimination law

the political handbook of the world 2024 2025 is the most authoritative and comprehensive reference guide available for understanding the political landscape of every nation and territory across the globe this updated edition features more than 200 entries offering detailed coverage of governmental structures political parties and current leadership known for its unmatched depth the volume provides in depth analysis of both major and minor political parties and movements and delivers timely insights into recent controversies political crises and key events from the past two years this edition also includes up to date listings of ambassadors international organization memberships and expanded profiles of over 30 intergovernmental organizations and un agencies trusted by researchers analysts journalists and students this resource continues to deliver essential reliable political data and analysis

this book explains how the sweden democrats sd a populist radical right party has moved from the fringes into the mainstream of swedish politics sd has experienced rapid growth and success in sweden in recent years following the 2022 elections sd became an official support party to a right of centre minority coalition the party has managed this sustained electoral growth since it entered parliament in 2010 despite having roots in right wing extremism including some links with fascism and nazism for these reasons it

was for many years isolated by other parties and given an overwhelmingly negative treatment by the media this book explores the position of sd in the electorate the changing status of sd among swedish voters and how other parties interact with sd the analysis sheds light on the route into the mainstream of a party without a reputational shield the argument is that although the route sd has taken is different it is only a matter of time before sd will take the final steps into the swedish political mainstream and reach a position comparable to those of the danish people s party the finns party or the norwegian progress party the text will be of interest to scholars and students of european politics comparative politics and populism
